

# OLIPHANT MATTERS

Nature Photography from the Ground Up

**Saturday August 11**

9:30 am - 11:30 am

@ Oliphant Campers' Church

*Presented by Friends of Oliphant*

Emcee: *Cliff Bilyea*

Join us for an informative presentation with:

**Brian Robin:** A nature photographer and an organic farmer. His photography is amazing and his commentary is highly entertaining. It is guaranteed you will be enlightened and entertained.

Available for purchase: - A selection of Brian Robin's photos  
- Brian Reis 's wild flower honey (cash)

**As always refreshments will be provided**

## Phragmites Workshop

**Leslie Wood:** Hails from Main Station Island. She has been spearheading and working with the Phragmites removal work being done on the islands where the problem is massive. Leslie is an expert, so after her workshop and demonstrations you will leave far better informed about how to deal with this invasive species.
