

OLIPHANT MATTERS

Saturday August 10

9:30 am - 11:30 am

@ Oliphant Campers' Church

Join us for two informative presentations

Presented by Friends of Oliphant

Emcee: Cliff Bilyea

The Fishing Islands

Sean Liipere

Sean's informative and engaging talks have been heard by many delighted listeners before. His presentation on Coastal Wetlands was an important addition to our 2014 event "Bruce Matters"

Ticks and Lyme Disease

Dr. Andrew Peregrine

We know that we are about to experience something special as Andrew has been selected on numerous occasions as the top teaching professor at Ontario Veterinary College, U of Guelph

1.5 lb jars of Brian Reis 's wild flower honey - Only \$ 6.00 (cash)

As always refreshments will be provided

Go to www.fooce.org for more info
